

May 5, 2010

Dear LaSallians,

Last May 1, 2010, a Golf Challenge was held between the two rival schools Ateneo and La Salle. It was a fun day and everybody enjoyed the friendly competition. Both schools tried their hardest. Unfortunately, there could only be one winner. There were numerous awards awarded on the day. But the day went to Ateneo who won the overall competition. Here are the scores and awards:
